A NEW LOOK FOR AN OLD FRIEND

Now that our dust has settled and the paint's dry, you're going to like what we've done to the place. We have improved your Wal-Mart store to make shopping more convenient, more efficient and more fun. The signs are new, and the floor plan is a little different, but the things you have come to expect at Wal-Mart are just the same. Our quality products. Our Every Day Low Prices. Our Commitment to you.

We invite you to come and join us in our sneak preview week.
Our official re-grand opening will occur Oct. 1.

Come see our new look, have a cup of coffee and a donut, and spend a little time with an OLD FRIEND.
